Guidelines for In-Person Lessons During the Covid-19 Pandemic

For Students, Families, and Guests:

In order for KCMC to reopen safely and comply with state and federal safety regulations we have implemented new policies and procedures for students and teachers. Please read carefully before resuming lessons in person. If you have any questions or concerns please contact us! Your health and safety is our highest priority.

Guidelines

1. If you are feeling unwell, please stay home.
 - a. Possible symptoms of COVID-19 include: 1. Fever 2. Respiratory symptoms such as runny nose, sore throat, cough, or shortness of breath 3. Flu-like symptoms such as muscle aches, chills, and severe fatigue 4. Changes in a person's sense of taste or smell.
2. Face Coverings must be worn inside KCMC and it is strongly encouraged that they be worn during the lesson. Face coverings should also be worn while entering and exiting the facilities. Please read CDC's [guidance on the use of face coverings](#).
3. Students, or parents, must complete a Covid-19 Prescreening Questionnaire before every lesson held at KCMC. Please submit the form to your teacher.
4. Please keep a minimum of 6 feet distance from one another inside KCMC.
5. The waiting area inside KCMC will not be open to guests.
6. In order to maintain appropriate social distancing we have come up with a pick up/ drop off system. Please make sure you and your teacher have worked out what communications app on your smartphone will be used prior to your visit.
 - a. Students or parents/guardians will notify teachers via mobile device that they have arrived for their scheduled lessons.
 - b. Teachers will reply by notifying them when it is safe to come inside for their lesson.
 - c. Teachers will notify parents/guardians via mobile device when it is safe to pick up their child after lessons have concluded.
7. When it is necessary for a parent/guardian to be with their child during the music lesson, the parent/guardian should arrange themselves inside the studio so that they are next to their child, and maintain the recommended social distancing from the teacher.
8. Students are strongly encouraged to wash or sanitize their hands before and after their lesson.
